Achievement Categories

MarCom categories are designed to recognize recently completed, specific projects. However, over the years, we have been asked to recognize individuals and teams for their body of work. To nominate yourself or someone else, please upload a document with the following information and examples of work product.

If there is an individual or team that has a story to tell, we would like to hear it. As every nomination is different, there is no set list of criteria. Nominees will be evaluated on their achievements and organizational impact. MarCom Awards may contact the Nominator via email for clarifications or further questions.

Please don’t hesitate to contact us with any questions: info@marcomawards.com, 214-377-3524 or click on Chat now in the lower right hand corner of the website.
